

California Labor Guidelines

Strategies in Light

The Leading Events for the Global LED and Lighting Industry

To assist you in planning for your participation in this show, we are certain you will appreciate knowing in advance that union labor will be required for certain aspects of your exhibit handling. To help you understand the jurisdictions the various unions have, we ask you to read the following:

SIGN, DISPLAY AND ALLIED CRAFTS UNION

Members of the union claim jurisdiction over all setup and dismantling of exhibits including signs and carpet installation. This does not apply to the unpacking and placement of your merchandise [items produced by you for sales, scheduled for display in your booth, or literature describing same]. Any installation of exhibits or displays which requires the use of hand tools, or more than one (1) person, or longer than 30 minutes (including crating or uncrating) to install, **or exceeds ten feet in any direction, shall be installed by employees covered by the Agreement.**

TEAMSTERS UNION

This local claims jurisdiction over the operation of all material handling equipment, all unloading and reloading, and handling of empty containers. An exhibitor may only move material that can be hand-carried by one person in one trip. Hand-carried is defined as small cartons, packages, or portable lap-top computers that usually weigh less than 30 lbs. Unions claim jurisdiction under all other circumstances. No one, other than the official contractor's employees, is allowed to use dollies, hand trucks, or other mechanical equipment. This includes, but is not limited to, I&D employees, hotel employees and facility employees.

FREIGHT HANDLING JURISDICTION

Brede/Allied has the responsibility of receiving and handling all exhibit material and empty crates. It is our responsibility to manage the docks and schedule vehicles for the smooth and efficient move-in and move-out of the exposition. Brede/Allied will not be responsible, however, for any material they do not handle.

LIFTS

Due to Liability and Insurance regulations, Genie Lifts and/or other similar mechanical equipment are not permitted on the show floor unless it is the property of Brede/Allied and is operated and/or supervised by a Brede/Allied employee.

BOOTH CLEANING & PORTER SERVICE

Brede/Allied has been selected by Show Management to serve as your official contractor for this show. In that respect, Brede/Allied has jurisdiction over all booth cleaning and porter service. Exhibitors and/or Exhibitor Appointed Contractors (EACs) are **NOT PERMITTED** to have vacuum cleaners or any floor cleaning equipment on the show floor unless it is the property of Brede/Allied and is operated by a Brede/Allied appointed person or employee. For your convenience, a Booth Cleaning & Porter Service order form has been included in this exhibitor manual.

GRATUITIES

Brede/Allied requests that exhibitors do not tip our employees. Do not give coffee breaks other than mid-morning and mid-afternoon when union employees have a fifteen minute break. Any attempts to solicit a gratuity by an employee for any service should be reported immediately to a Brede/Allied supervisor. Employees of Brede/Allied are paid an excellent wage scale denoting a professional status, and we feel that tipping is not necessary. This applies to all Brede/Allied employees.

IN GENERAL

Craftsmen at all levels are instructed to refrain from expressing any grievances or directly challenging the practices of any exhibitor. All questions originated by labor are to be expressed to Brede/Allied management personnel. It is recommended that any questions arising with regard to union jurisdictions or practices be directed to a management representative of Brede/Allied.
